ARTICLE II

Definitions

Section 1. "Act" means the Indiana Nonprofit Corporation Act of 1991 and any subsequent amendments thereto.

Section 2. "Articles of Incorporation" or "Articles" means the Articles of Incorporation of the Corporation filed with the Office of the Secretary of State of Indiana, as the same are or hereafter may be amended from time to time.

for the remainder of the meeting and for any adjournment of that meeting. Except as otherwise provided in the Declaration, Articles or these Bylaws, each question or action will be deemed passed if approved by a simple majority of the eligible votes cast by the members present, in person or by proxy, at a meeting at which a quorum is present.

If quorum is not met at the first meeting, then the Board may call a subsequent meeting(s) to be set within sixty (60) days of the first meeting, and the quorum at the subsequent meeting(s) shall drop to five percent (5%). However, no subsequent meeting(s) may be called more than sixty (60) days after the preceding meeting without providing new notice to the members.

Section 3. Meetings: Meetings of the Members of the Association will follow these provisions:

- A. **Place.** Meetings of the Members are to be held in Marion County, Indiana, at a place selected by the Board of Directors of the Association.

- B. **Annual Meeting.** The Board of Directors of the Association will set a date for the Association's Annual Meeting to be held each year. The only limitation to setting the date for the Annual Meeting is that the Annual Meeting must be held no more than fifteen (15) months after the previous annual meeting. However, the specific date, time and place of the Annual Meeting are to be determined by the Board of Directors. At each Annual Meeting, the Members will conduct director elections and transact any other Association business to be properly addressed at the meeting.

- C. **Special Meetings.** A Special Meeting of the Lot Owners may be called by: a) the President; b) resolution approved by a majority of the Board of Directors; or c) by written petition signed by at least ten percent (10%) of the Lot Owners. The petition must be presented to the President or Secretary of the Association and must state the purpose(s) for which the Special Meeting is to be called.

The Board of Directors has thirty (30) days from the date the Secretary receives a properly signed petition from the Members to send a Notice to the Membership calling the requested Special Meeting. The purpose(s) of the Special Meeting, along with the date, time and location of the Special Meeting must be stated in the meeting notice sent to the Lot Owners. No business shall be transacted at a Special Meeting except as stated in the notice of the meeting, unless all the Lot Owners are present.

It should be noted that according to the Act the Members may not call or hold a Special Meeting of the Members without first submitting a petition, signed by not less than ten percent (10%) of the Members, asking that the Board of Directors call a Special Meeting as set forth above. If the Board refuses to call a Special Meeting of the Members after receiving a proper petition from the Members, then the Members may call a Special Meeting of the Membership on their own.

- D. **Notice of Meetings.** Written or printed notices stating the place, day and hour of a meeting and, in case of a special meeting, the purpose or purposes for which the meeting is called shall be delivered or mailed by the Secretary of the Association to each member of record of the Association entitled to vote at the meeting, at such address as appears upon the records of the Association, at least ten (10) days before the date of the meeting, but not more than sixty (60) days prior to the meeting.

Notices of any meeting may be mailed by first class U.S. Mail. Notices of meetings may also be hand-delivered to an owner's residence. If the owner consents to electronic service, then notice of meetings may be provided to owners by email or postings on the Association's website, if one.

Notice of any meeting of the members may be waived in writing by any owner or by the owner's attendance at the meeting in person, by proxy or by ballot.

- E. **Order of Business.** The order of business at meetings of the members shall, to the extent applicable, be as follows:

1. Call to Order.
2. Reading of minutes of preceding meeting.
3. Reports of officers.
4. Reports of committees.
5. Treasurer's Report and review of Annual Budget (if an annual meeting).
6. Election of director(s) (if an annual meeting).
7. Unfinished business.
8. New business.
9. Adjournment.

Section 4. Voting at Meetings.

- A. **Voting Rights.** Unless otherwise suspended, each Lot is entitled to cast one (1) vote on each issue properly brought before the membership. In the event any Lot is owned by more than one person, the owners must decide among themselves which owner is entitled to vote at a meeting of the members. In the event the lot is owned by a corporation or other entity, that entity may appoint a representative to cast the vote(s) for the lot.

- B. **Proxies.** A member may vote either in person or by his duly appointed proxy. Where a member's vote is by proxy, the member must designate his proxy in writing and deliver it to the Secretary of the Association or any other officer or agent of the Association authorized to tabulate votes. The proxy is effective once it is received by the Association.

A proxy must contain the member's printed name, address or Lot number, the member's signature, and the date the proxy is executed (signed). A proxy is only valid for eleven (11) months from the date of its execution unless a longer or shorter period of validity is expressly set forth in the proxy. A proxy may be revoked in writing by the member prior to being exercised or by the member's personal attendance at the meeting where the vote is to be taken.

If a member signs more than one proxy appointment, the latest in time, if possible to determine, is considered to be valid. If a member signs more than one (1) proxy to be used at a particular meeting, and it cannot be determined which proxy is the latest in time, then none of the member's proxies shall be counted or voted.

- C. **Majority Required.** Except as otherwise provided in the Declaration, Articles, these Bylaws, or Indiana law, each question or action voted upon at any member meeting will be deemed passed if approved by a simple majority of the eligible votes cast by the members present, in person or by proxy, at the meeting at which a quorum is present.

- D. **Suspension of Voting Rights.** No member shown on the books or management accounts of the Association to be more than thirty (30) days delinquent in any payment due to the Association shall be eligible to vote, either in person or by proxy.

For purposes of this provision, the thirty (30) day period begins on the first day of the fiscal year or the due date of the assessment as set by the Board of Directors pursuant to its authority as set forth in the Declaration, whichever is later in time. If the amount due to the

Association is for an obligation other than assessments, such as reimbursement for a covenant violation or court judgment, then the thirty (30) day period shall start on the date the amount became due.

The term "payment" means the payment of all amounts due to the Association, including any assessments, collection fees, interest, late fees, attorney fees, court costs, or other sums that are owed to the Association. As a result, if any owner is paying the Association on a payment plan or agreement, and that payment arrangement does not pay the entire amount due to the Association within thirty (30) days of becoming due, then that owner's voting rights will stay suspended until the entire amount due to the Association is paid in full.

In addition, payment of delinquent accounts by any method other than cash at a meeting where a vote will be held does not end any suspension under this provision until the funds from the payment are actually received by the Association. The Board of Directors is free to adopt additional rules regarding the suspension of voting rights as they deem necessary or appropriate for the failure of an owner to pay any sums owed to the Association.

Section 5. Action by Written Ballot, Etc. Any action required or permitted to be taken at any meeting of the members may be taken by written ballot with or without a meeting if the Association delivers a written ballot to every owner eligible to vote on the matter. To be valid, the ballot must contain:

- a) the printed name of the lot owner;
- b) the signature of the lot owner;
- c) the lot(s) owned or being purchased by the lot owner; and
- d) the date the ballot is being signed.

Approval by written ballot is only valid if:

- a) the number of votes cast in person and/or by ballot equals or exceeds the quorum required to be present at a meeting authoring such action; and
- b) the number of approvals equals or exceeds the number of votes required to approve the matter at a meeting.

The written ballot must set forth each proposed action and provide an opportunity for the owner to vote for or against each proposed action. A solicitation, or request, for votes by written ballot must indicate:

- a) the number of responses needed to meet the quorum requirements;
- b) the percentage of approvals necessary to approve each matter, other than the election of directors; and
- c) specify the time by which a ballot must be received by the Association to be counted.

If a meeting is to be held, then ballots may be mailed or personally delivered to the Association's registered office prior to the meeting date; however, unless otherwise stated on the ballot, all ballots cast by owners NOT attending the meeting must be RECEIVED at the Association's registered office by the end of business at least two (2) calendar days prior to the date of the meeting in order to be counted. Unless otherwise stated on the ballot, any ballots received less than two (2) calendar days prior to the meeting date will not be counted.

If a meeting is NOT to be held, then owners must mail or personally deliver their ballot to the Association's registered office by the due date stated on the ballot. Any ballots RECEIVED after the due date will not be counted.

Only official ballots sent to the owners by the Association will be accepted. Unofficial ballots will not be counted. Ballots must be received by the Association in a sealed envelope; ballots in open or unsealed envelopes will not be counted. Each owner must fully fill out the ballot, print their name and

address and sign the ballot. The Board of Directors may adopt additional voting procedures for submitting and processing ballots.

If an owner signs or submits more than one ballot, the latest in time, if possible to determine, is considered to be valid. However, if an owner signs or submits more than one ballot, and it is not possible to determine which ballot is to be used, the Board may reject all ballots submitted by that owner.

In addition, voting and meeting participation may be held or performed in any manner set forth in the Act or deemed acceptable by the Courts as a practical way to collect votes and allow Members to participate in Association actions.

ARTICLE IV

Nomination and Election of Directors

Section 1. Nominations. Nominations for the Board of Directors may be made by any Owner from those persons eligible to serve. Such nominations may be made in writing and presented to the Secretary of the Association prior to the date of the annual meeting. The Board has the authority to set a deadline date for submitting written nominations prior to the annual meeting.

If an insufficient number of written nominations are received prior to the date of the annual meeting to fill all Board positions open for elections at the annual meeting, then oral nominations will be accepted from the floor prior to voting on any open Directorship position.

If a sufficient number of written nominations are received prior to the date of the annual meeting to fill all Board positions open for elections at the annual meeting, then the presiding officer of the annual meeting has the sole discretion to either: 1) stand on the submitted written nominations; or 2) accept additional oral nominations from the floor, prior to voting on any open Directorship position.

Section 2. Election. Voting on each position for the Board of Directors shall be by paper ballot containing the signature, printed name and address of the Owner casting the ballot. Written balloting may be waived by proper motion at the annual meeting and voting conducted by a voice vote or show of hands in circumstances where the number of nominees does not exceed the number of Board positions open for election (i.e. 2 nominees for 2 open directorships).

Each Owner, or their proxy, may cast the total number of votes to which he is entitled to cast for as many nominees as are to be elected; however, cumulative voting shall not be allowed. Those persons receiving the highest number of votes shall be elected.

At any director election where the terms of those directors being elected are to be staggered, the highest vote recipient shall be elected to the longest term, the second highest vote recipient shall be elected to the second longest term, and so on until all director positions being elected are filled. If there is a tie for directorship positions of differing term lengths (i.e. two (2) persons both receive fifteen (15) votes, but one (1) is to serve a two (2) year term and one (1) is to serve a one (1) year term), the directors may agree to which term each will serve without the need for a new run-off vote. If the directors cannot resolve the term dispute by agreement, then the presiding officer shall have the sole discretion to decide the issue by either: 1) conducting a run-off ballot vote by the members; 2) draw from a hat; or 3) the flip of a coin.

In the event no quorum is present at an annual meeting of the Association, or if a sufficient number of candidates cannot be found to fill all open Board vacancies at the annual meeting, whether by slating, written petition or oral nomination, then the remaining members of the Board of Directors may fill any directorship positions open for election at the annual meeting. Any Director so appointed to fill an open position on the Board of Directors shall serve the same term as if elected by the members at the annual meeting.

Section 3. Conducting Elections by Ballot. The election of directors may be conducted by ballot so that owners may select their nominees and send in their votes prior to the annual or special meeting. If the number of written nominations received by the Association before the deadline date exceeds the number of open board positions to be filled at the annual meeting, then a ballot will be mailed to each owner for voting on new board members. *If the election of directors is conducted by ballot voting, then NO write-in nominations or nominations from the floor will be accepted so everyone has a chance to vote on the same list of candidates.*

If the number of written nominations received by the Association before the deadline date matches the number of open board positions to be filled at the annual meeting, then there is no reason to incur the expense of a mailed ballot since all submitted nominees will be elected by default. In this situation, the Board may simply waive ballot voting and accept the submitted nominees by voice vote at the annual meeting.

If an insufficient number of written nominations are received by the deadline date to fill all Board positions open for election at the annual meeting, then ballot voting will not be conducted and oral nominations will be accepted from the floor prior to voting on any open Directorship position.

ARTICLE V

Board of Directors

Section 1. Number, Qualifications and Term of Office.

(a). **Number.** The affairs of the Association shall be governed and managed by the Board of Directors (collectively called the "Board" or "Directors" and individually called "Director"). The Board of Directors will be composed of five (5) persons, with the minimum number of Directors being three (3) and the maximum number being nine (9). The exact number of Directors may be increased or decreased, as permitted by law, by resolution of the Board of Directors. If the number of directors currently serving changes due to the resignation or removal of directors, or if an insufficient number of members volunteer to fill all possible Board positions, the Board shall continue to function with the remaining number of directors until those vacancies are filled so long as there are at least three (3) directors serving.

(b). **Qualifications.** A director must be a member of the Association and maintain his primary place of residence in The Woods at Grassy Creek community. In addition, a director must not have his membership rights in the Association suspended for any reason as set forth in the Declaration, Articles or these Bylaws. No Lot may be represented by more than one person or representative on the Board of Directors at the same time.

(c). **Term of Office Generally.** The Board of Directors will serve their terms on a staggered basis as provided by law and as set forth in the Declaration, with approximately one-third (1/3) of the Board being open for election each year. Therefore, at the first Annual Meeting following adoption of these bylaws, two (2) directors will be elected to serve a three (3) year term, two (2) directors will be elected to serve a two (2) year term, and one (1) director will be elected to serve a one (1) year term. At all director elections thereafter, directors will be elected to serve a three (3) year term. All directors shall serve their full term and/or until their respective successors are properly elected and qualified.

In the event that the number of Directors is increased or decreased by resolution of the Board, the election terms, or rotation, of said Directors shall be determined by the Board at the time the increase or decrease is approved, so long as the election of Directors continues to be staggered and approximately one-third (1/3) of the Board is open for election each year. If multiple directors are being appointed by

the Board to fill staggered Board vacancies, then the Board shall determine which appointee shall serve each respective staggered term.

Section 2. Vacancies and Removal.

(a). **Vacancies.** Any vacancy that occurs on the Board of Directors due to the death, resignation or removal of a director will be filled by a new appointee approved by a majority vote of the remaining Directors, and the appointee will serve the remaining term of the vacant directorship; unless the vacancy is caused by a Director being removed from the Board by a vote of the membership at a special meeting called for that purpose, in which case the members in attendance at that special meeting must select a replacement(s) to fill the position(s) of the removed Director(s). Any Director elected by the members to fill a vacancy on the Board will serve the unexpired portion of the vacant directorship.

(b). **Removal.** Any Director may be removed from the Board of Directors, with or without cause, by a majority vote of the members of the Corporation at a special meeting called for such purpose. The vacancy of a Director removed by the members at a special meeting shall be filled by the members in attendance at that same special meeting. Any Director elected by the members to fill a vacancy on the Board will serve the unexpired portion of the vacant directorship.

Pursuant to Indiana Code 23-17-12-10, as may be amended or re-codified from time to time, and the Articles, the Board of Directors also has the right to remove a Director from the Board "for cause" by a two-thirds (2/3) vote of the remaining Board members.

For purposes of this provision, an act that constitutes "for cause" includes, but is not limited to: a) failing to attend three (3) or more consecutive meetings of the Board of Directors; b) becoming ineligible to serve on the Board according to any terms set forth in the Declaration, Articles or these Bylaws; c) acts of fraud, theft, deception, or criminal behavior; d) breach or disclosure of confidential Board or owner information or discussions to person(s) not on the Board; or e) any other actions not authorized or ratified by the Board which hinder or bypass the authority of the Board to act as a whole.

Determination of whether "for cause" has been sufficiently established to justify removal of a Director is left to the sole discretion of the members or the remaining Directors and may not be overturned by judicial action unless it is determined by a court of competent jurisdiction that the removal of the director was contrary to the Act. The vacancy of a directorship due to a Director being removed by a vote of the Board shall be filled by a majority vote of the remaining Board members.

Section 3. Duties of the Board of Directors. The Board of Directors is the governing body of the Association representing all of the Owners and is responsible for the functions and duties of the Association, including but not limited to, providing for the administration of the Real Estate, the management, maintenance, repair, upkeep and replacement of the Common Area (unless the same are otherwise the responsibility or duty of Owners), and the collection and disbursement of the Common Expenses.

The Board shall fulfill these duties in good faith, with the care an ordinarily prudent person in a like position would exercise under similar conditions, and in a manner the Board believes to be in the best interest of the Association. The availability of funds, the unforeseen or unexpected nature of expenses caused by natural, administrative, or regulatory reasons, or any other factor or factors which may hinder or prevent the Board from taking action to fulfill any of these duties shall be considered in determining the reasonableness of the Board's actions or failure to provide certain services or maintenance as provided herein.

The Board may employ a managing agent upon such terms as the Board shall find, in its discretion, reasonable and customary. The managing agent shall assist the Board in carrying out its duties, which include, but are not limited to:

- (a) maintenance, repair, replacement, landscaping, painting, decoration, furnishing, and upkeep of the Common Areas, unless the same are otherwise the responsibility or duty of Owners of Lots;
- (b) procuring of utilities in connection with the Common Areas (to the extent the same are not provided and billed directly to Owners of Lots and Dwelling Units by utility companies);
- (c) assessment and collection from the Owners of the Owners' respective shares of the Common Expenses;
- (e) preparation of the annual budget, a copy of which will be mailed or delivered to each Owner;
- (f) preparing and delivering annually to the Owners a full accounting of all receipts and expenses incurred in the prior year;
- (g) keeping a current, accurate and detailed record of receipts and expenditures affecting the Common Areas and the business and affairs of the Association, itemizing the Common Expenses when possible;
- (h) procuring and maintaining for the benefit of the Association, the Owners, any Managing Agent and the Board the insurance coverage required under this Declaration and such other insurance coverage as the Board, in its sole discretion, may deem necessary or advisable;
- (i) paying taxes and assessments assessed against and payable with respect to the Common Areas and paying any other necessary expenses and costs in connection with the Common Areas;
- (j) enforcing all covenants, restrictions, bylaws and rules and regulations in the Declaration, Articles, Bylaws or adopted rules and regulations;
- (k) all duties and obligations imposed upon the Association or the Board under this Declaration, the Articles, the Bylaws or the Act.

Section 4. Powers of the Board of Directors. The Board of Directors shall have such powers as are reasonable and necessary to accomplish the performance of their duties. These powers include, but are not limited to, the power to:

- (a) employ a managing agent to assist the Board in performing its duties;
- (b) purchase, lease or otherwise obtain for the Association, to enable it to perform its functions and duties, such equipment, materials, labor and services as may be necessary in the judgment of the Board of Directors;
- (c) employ legal counsel, architects, contractors, accountants and others as in the judgment of the Board of Directors may be necessary or desirable in connection with the business and affairs of the Association;
- (d) employ, designate, discharge and remove such personnel as in the judgment of the Board of Directors may be necessary for the maintenance, upkeep, repair and replacement of the Common Areas, and to perform all other maintenance, upkeep, repair and replacement duties of the Association and the Board;
- (e) include the costs of performing all of its functions, duties and obligations as Common Expenses and to pay all such costs there from;
- (f) open and maintain a bank account or accounts in the name of the Association;
- (g) create, adopt, revise, amend or alter from time to time such additional rules and regulations with respect to use, occupancy, operation, enjoyment, and architectural additions or modifications of the Property, including the individual lots, streets (whether public or private), and the Common Areas, said rules and regulations being in addition to the rules and restrictions set forth in the Declaration, as the Board, in its discretion, deems necessary or advisable; provided, however, that copies of any such additional rules and regulations so adopted by the Board shall be promptly delivered to all Owners;

- (h) take any and all appropriate action, including legal action, if necessary, to enforce or gain compliance by all Owners of the provisions, restrictions or requirements within Declaration, Articles, Bylaws, or rules and regulations of the Association;
- (i) grant to such public or private companies, entities or bodies as the Board may approve, such easements as may be necessary to provide the Lots, Dwelling Units and Common Areas with facilities for utility and similar services, including but not limited to cable television facilities and service; provided that such easements are located within or are co-extensive with any one or more utility easements, maintenance and access easements, landscape and maintenance easements, or Common Areas shown upon, and identified as such on, or provided for in, any subdivision plat of the Development, whether such plat is heretofore or hereafter recorded.

Section 5. Annual Meeting. The Board of Directors must meet annually, without notice, immediately following, and at the same place as, the annual meeting of the membership; or at the next regularly scheduled Board meeting, for the purpose of electing officers.

Section 6. Regular Meetings. Regular meetings of the Board of Directors shall be held at such regular intervals, without notice, at such place and hour as may be determined from time to time by resolution of the Board of Directors. If a regular meeting of the Board is to be held on a date other than a regularly scheduled meeting date previously set by the board, then notice of the meeting must be provided to each director at least forty-eight (48) hours prior to the meeting.

Section 7. Special Meetings. Special meetings of the Board of Directors may be called by the President or by a majority of the members of the Board of Directors, at any place within or without the State of Indiana, upon twenty-four (24) hours notice, specifying the time, place and general purposes of the meeting, given to each Director personally, by telephone or email; or notice may be given by U.S. Mail if sent, via first class, postage pre-paid, mail at least three (3) days before such meeting.

Section 8. Notice and Waiver of Notice. Notices of Board meetings shall be given to each Director as set forth in these Bylaws. A Director waives formal meeting notice requirements by attending the meeting or by voting in writing or email on any issue addressed at a meeting of the Board.

Section 9. Quorum. A majority of the entire Board of Directors then qualified and acting constitutes a quorum for the purpose of transacting business, except for filling vacancies in the Board of Directors which shall require action by a majority of the remaining Directors. Any act of the majority of the Directors present at a meeting at which a quorum shall be present shall be the act of the Board unless otherwise provided for by law or by these Bylaws. A majority of the Directors present may adjourn any meeting from time to time. Notice of an adjourned meeting need not be given other than by announcement at the time of adjournment.

Section 10. Attendance at Board Meeting. Any board member may participate in a board meeting telephonically, such as a conference call, or electronically, such as internet video transmission, or other internet or electronic communication by which all directors participating may hear each other during the meeting.

Section 11. Action Taken Without a Meeting. Any action required or permitted to be taken at a meeting of the Board of Directors or any committee may be taken without a meeting if the action is approved by a majority of the entire Board in writing or via email. If an action is approved via writing or email, evidence of the written or email approval must be made a part of the corporate Board minutes or records. However, failure to keep documentation of the approval does not automatically invalidate the decision.

Section 12. Compensation. No Director shall receive compensation for any service he may render to the Association as such director. However, any Director may be reimbursed for his actual expenses incurred in the performance of his duties, and any Director may be paid and compensated for services rendered to the Association in a capacity other than as a director.

Section 13. Non-Liability of Directors. The Directors shall not be liable to the Owners or any other Persons for any error or mistake of judgment exercised in carrying out their duties and responsibilities as Directors, except for their own individual willful misconduct, bad faith or gross negligence. The Association shall indemnify and hold harmless and defend each of the Directors against any and all liability to any person, firm or corporation arising out of contracts made by the Board on behalf of the Association, unless any such contract shall have been made in bad faith. It is intended that the Directors shall have no personal liability with respect to any contract made by them on behalf of the Association.

Section 14. Additional Indemnity of Directors. The Association shall indemnify, hold harmless and defend any person, his heirs, assigns and legal representatives, made a party to any action, suit or proceeding by reason of the fact that he is or was a Director of the Association, against the reasonable expenses, including attorneys' fees, actually and necessarily incurred by him in connection with the defense of such action, suit or proceeding, or in connection with any appeal therein, except as otherwise specifically provided herein in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Director is liable for gross negligence or misconduct in the performance of his duties. The Association shall also reimburse to any such Director the reasonable costs of settlement of or judgment rendered in any action, suit or proceeding, if it shall be found by a majority vote of the Owners that such Director was not guilty of gross negligence or misconduct. In making such findings and notwithstanding the adjudication in any action, suit or proceeding against a Director, no Director shall be considered or deemed to be guilty of or liable for negligence or misconduct in the performance of his duties where, acting in good faith, such Director relied on the books and records of the Association or statements or advice made by or prepared by the Managing Agent (if any) or any officer or employee thereof, or any accountant, attorney or other person, firm or corporation employed by the Association to render advice or service unless such Director had actual knowledge of the falsity or incorrectness thereof; nor shall a Director be deemed guilty of or liable for negligence or misconduct by virtue of the fact that he failed or neglected to attend a meeting or meetings of the Board of Directors.

Section 15. Bond. The Board of Directors may provide surety bonds (or an equivalent form of coverage) and may require the managing agent (if any), the treasurer of the Association, and such other officers as the Board deems necessary, to provide surety bonds (or an equivalent form of coverage), indemnifying the Association against larceny, theft, embezzlement, forgery, misappropriation, wrongful, abstraction, willful misapplication and other acts of fraud or dishonesty, in such sums and with such sureties as may be approved by the Board of Directors and any such bond (or equivalent form of coverage) shall specifically include protection for any insurance proceeds received for any reason by the Board. The expense of any such bonds (or equivalent form of coverage) shall be a Common Expense.

Assessments and Fiscal Year

Section 1. Assessments. Each Owner is obligated to pay to the Association annual and special assessments as more specifically described in the Declaration. The assessments are secured by a continuing lien upon the property against which the assessment is made. Any assessments which are not paid within thirty (30) days of becoming due shall be delinquent.

If the assessment is not paid within thirty (30) days after the assessment becomes due, the assessment shall bear interest from the date of delinquency at the rate of eight percent (8%) per annum. In addition, the Association may impose reasonable late fees on all delinquencies. The Board shall have the right to determine the amount of the late fees, the time period before the late fees are imposed, the rate of the late fees (i.e. annually, monthly, etc.) and to make any other provisions for late fees and interest charges on late payments as the Board, in its sole discretion, deems appropriate. The Board may also adopt specific collection procedures to be used in collecting assessments and pursuing delinquent accounts.

If the Association incurs administrative fees or expenses as a result of collecting delinquent amounts, the Owner shall be personally obligated to reimburse the Association these fees.

If the Association employs legal counsel to pursue the collection of unpaid amounts owed to the Association, the Owner shall be personally obligated to pay any collection costs or expenses for the sending of collection letters or other correspondence or communication prior to the filing of legal action, or for the Association's attorney to take any other action in an attempt to collect the unpaid amounts.

The Association may bring an action at law against the Owner personally obligated to pay the same or to foreclose the lien against the property, or both, and there shall be added to the amount of such account balance the costs of preparing the collection notices and letters, preparing and filing the complaint in such action, interest and late fees on any assessment as above provided, and reasonable attorneys' fees, together with the costs of the action.

In addition, an Owner who becomes more than thirty (30) days delinquent on any assessment or other payment due to the Association shall not be eligible to vote, either in person or by proxy; to be elected or serve on the Association's Board of Directors; or to use any of the Common Area facilities, if any, pursuant to the provisions set forth in the Declaration, Articles and/or these Bylaws.

These rules, regulations, policies, procedures and guidelines, and any amendments thereto, shall be furnished by the Association to all owners prior to the effective date. All

If the Association takes any action to enforce any provision or restriction in the Declaration, Articles, Bylaws, and rules, regulations and architectural guidelines of The Woods at Grassy Creek, including, but not limited to, the preparing and sending of violation letters, towing of vehicles, self-help or legal action filed in the courts, then the Association shall be entitled to reimbursement of all its costs and expenses, including, but not limited to reasonable attorney fees, administrative charges by a management agent, and court costs, of said enforcement activity or action from the party or parties in violation of said rule or regulation.

The foregoing remedies shall be in addition to, or supplement, any remedies of the Association identified in the Declaration, Articles or Bylaws, and may be used or applied to any enforcement activity or action taken pursuant to any violation of the Declaration, Articles or Bylaws or any properly adopted rule or regulation.

These remedies are adopted herein to maintain the intent and spirit of the Declaration, Articles or Bylaws that the Association and its members should not be penalized or suffer a financial loss to the Association's operating budget for the cost of any enforcement efforts necessary to gain or achieve an Owner's compliance with the terms and restrictions set forth in the Declaration, Articles or Bylaws or any properly adopted rule or regulation.
